APPLICANT'S declaration and signature:

I hereby declare that in applying for Day Membership of RMS, I will abide by the Rules and Regulations of the club. I also enclose herein the appropriate fee for Day Membership.

I further declare that I am operating the legal operating frequency at Radio Modellers Singapore's approved flying field is 2.4Ghz or 26.96-27.28 and 29.70-30.0Mhz as specified by the Infocomm Development Authority (IDA) in IDA TS SRD 2006. -

I also fully understand that the insurance cover that is applicable to members of this club will not be applicable if a member does not operate within the legal operating frequencies as stated above.

I also acknowledge that, in the event of an accident, involving the member that is not using the radio frequencies other than those specified by IDA, the member will be responsible for all third party damages and/or claims made against the club.

It is also my full understanding that all my day's flying must be supervised by a RMS Club Official, unless, I have in the meantime passed the Club's Proficiency Test as stated below. I have also been informed that the Club's Third Party insurance policy carries a clause on an "excess" sum of S\$500. This means that for any claim, the first S\$500 is my responsibility.
